

Dear all,

hope you are well. here below you'll find some logistics informations for your stay in Rome.

For the one of you who are still looking for an accomodation in Rome for next week, here below you'll find two hotels in which you could still find rooms available.

They are both good quality/price solutions as you should still find standard room at around 100 euro per night.

They are:

- **Hotel dei Congressi, in Viale Shakespeare (in Eur close to Confindustria)**
